REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

It has been a great year at Indian Land Elementary School as we are "Spearheading Success Every Day"! We have learned a lot and had a little fun along the way as well. We continue to focus on providing a challenging curriculum to our students to help them learn more every day they are with us. Excelling in the midst of change and growth continues to be the overall goal for Indian Land Elementary School. We recognize the power of partnership and the use of resources to achieve our goals. The school's primary focus continues to be to ensure all students demonstrate competency and proficiency in all academic areas. We have moved towards a balanced literacy program that includes flexible reading groups where each student is taught at their individual reading level to move all students forward. We will continue to use Everyday Math at all grade levels which is a much more hands on approach than we have used in the past. Our students are making great gains and we are so proud of their growth. We want each child to meet success every day at ILE. We will continue with Classworks computer instruction and MAP testing twice a year. This year we had another outstanding Science Fair. Parental and community involvement continue to play a crucial role in our school. Our PTA provides thousands of dollars towards the purchase of technology and classroom teacher grants for our school. This has directly impacted the quality of instruction for our students. We have a very active School Improvement Council who is always looking for ways to assist the school. We continue to enjoy the commitment from local business leaders who serve as mentors and tutors and provide financial support for our programs. While the landscape of Indian Land continues to change, we continue to provide a strong academic program for all.
